# Standards Balloting & Commenting System (SBS) Quick Reference

Voter

- Join ballot pools, cast votes, and delegate/revoke proxy rights (during open ballot pools/ballots) from the Ballot Events page
- Submit comments and view real-time comments from the View Comment Forms page
- Reset password from the Login page

Proxy

- Cast votes and resign as a proxy (during open ballot pools/ballots) from the My Proxy Activity page
- Submit comments and view real-time comments from the View Comment Forms page
- Reset password from the Login page

Reminders for Ballot Pool Members

Vote: Affirmative, Negative, or Abstain to help ensure ballots meet quorum

Negative votes must be accompanied by a comment (or the support of a third-party's comment) in order to be counted towards the weighted segment

Ballot pools are open to join during the first 30 days of formal comment periods with associated initial ballots
