[Now Available](#)

A 45-day formal comment period for **MOD-031-1 – Demand and Energy Data** is open through **8 p.m. Eastern on Thursday, April 10, 2014**.

Background information for this project can be found on the [project page](#).

Instructions for Commenting

A formal comment period is open through **8 p.m. Eastern on Thursday, April 10, 2014**. Please use the [electronic form](#) to submit comments. If you experience any difficulties in using the electronic form, please contact [Wendy Muller](#). An off-line, unofficial copy of the comment form is posted on the [project page](#).

Next Steps

The ballot results will be announced and posted on the project page. The drafting team will consider all comments received during the comment period and, if needed, make revisions to the standard. If the comments do not show the need for significant revisions, the standard will proceed to a final ballot.

Standards Development Process

The [Standard Processes Manual](#) contains all the procedures governing the standards development process. The success of the NERC standards development process depends on stakeholder participation. We extend our thanks to all those who participate.
