

# Standards Announcement

## Project 2019-05 Modifications to PER-003-2

SAR Drafting Team Nomination Period Open through August 30, 2019

### [Now Available](#)

Nominations are being sought for SAR drafting team members through **8 p.m. Eastern, Friday, August 30, 2019**.

Use the [electronic form](#) to submit a nomination. Contact [Linda Jenkins](#) regarding issues using the electronic form. An unofficial Word version of the nomination form is posted on the [Standard Drafting Team Vacancies](#) page and the [project page](#).

By submitting a nomination form, you are indicating your willingness and agreement to actively participate in face-to-face meetings and conference calls.

The time commitment for this project is expected to be one face-to-face meeting per quarter (on average three full working days each meeting) with conference calls scheduled as needed to meet the agreed upon timeline the team sets forth. Team members may also have side projects, either individually or by sub-group, to present for discussion and review. Lastly, an important component of the drafting team effort is outreach. Members of the team will be expected to conduct industry outreach during the development process to support a successful ballot.

Previous drafting team experience is beneficial but not required. See the [project page](#) and unofficial nomination form for additional information.

### Next Steps

The Standards Committee is expected to appoint members to the SAR drafting team in October 2019. Nominees will be notified shortly after they have been appointed.

For more information on the Standards Development Process, refer to the [Standard Processes Manual](#).

[Subscribe to this project's observer mailing list](#) by selecting "NERC Email Distribution Lists" from the "Applications" drop-down menu and specify "Project 2019-05 Modifications to PER-003-2" in the Description Box. For more information or assistance, contact Senior Standards Developer, [Alison Oswald](#) (via email) or at 404-446-9668.
