Reference: Amended Compliance and Certification Committee Charter

On November 30, 2018, North American Electric Reliability Corporation (NERC) submitted proposed revisions to the Compliance and Certification Committee (CCC) Charter. Specifically, NERC states that the proposed amendments to the CCC Charter were made to reflect the dissolution of the Southwest Power Pool Regional Entity (SPP RE) by removing SPP RE from the Regional Entity sector in the CCC membership structure found in Attachment A of the CCC Charter.

Notice of this filing was issued on December 3, 2018, with protests and interventions due on or before December 21, 2018. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure. 18 C.F.R. § 385.214. No adverse comments were received.

NERC's uncontested filing is accepted pursuant to the relevant authority delegated to the Director, Office of Energy Market Regulation, under 18 C.F.R. § 375.307, effective as of the date of this order.

This action shall not be construed as approving any other application, including proposed revisions of Electric Reliability Organization or Regional Entity rules or procedures pursuant to 18 C.F.R. § 375.307(a)(2)(vi). This action does not constitute approval of any service, rate, charge, classification, or any rule, regulation, contract, or practice affecting such rate or service provided for in the filed documents. Such action shall not be deemed as recognition of any claimed right or obligation associated therewith and such action is without prejudice to any findings or orders that have been or may
