The NERC System Operator Certification Program is holding an open nomination to fill one vacancy on the Personnel Certification Governance Committee (PCGC). The successful candidate is expected to serve a two year term.

The PCGC Nomination Task Force will consider nominees with the following qualifications:

- Bulk Electric System system operations experience
- Have a valid and current NERC Certified System Operator Credential
- General knowledge of certification programs
- Sufficient knowledge of the NERC Reliability Standards
- Geographic diversity across the NERC footprint

Brief Description of Responsibilities: To protect the integrity and independence of the System Operator Certification Program, attend and participate in two in-person and two virtual PCGC meetings, participate in various conference calls and subcommittee tasks.

For more information or assistance, please contact [Barb Nutter](#) (via email) or at **404-446-9692**.
