

# Standards Announcement

## Project 2020-02 Modifications to PRC-024 (Generator Ride-through) | PRC-024-4 and PRC-029-1

**Formal Comment Period Open through July 8, 2024**

### Now Available

A 20-day formal comment period for **Project 2020-02 Modifications to PRC-024 (Generator Ride-through)**, is open through **8 p.m. Eastern, Monday, July 8, 2024**.

The Standards Committee approved waivers to the Standard Processes Manual at their December 2023 meeting. These waivers were sought by NERC Standards staff for reduced formal comment and ballot periods. This will assist the drafting teams in expediting the standards development process due to firm timeline expectations set by FERC Order 901. *FERC Order 901 was issued under [Docket No. RM22-12-000](#) on October 19, 2023.*

The standard drafting team's considerations of the responses received from the previous comment period are reflected in these drafts of the standards and other documents.

### **Reminder Regarding Corporate RBB Memberships**

Under the NERC Rules of Procedure, each entity and its affiliates is collectively permitted one voting membership per Registered Ballot Body Segment. Each entity that undergoes a change in corporate structure (such as a merger or acquisition) that results in the entity or affiliated entities having more than the one permitted representative in a particular Segment must withdraw the duplicate membership(s) prior to joining new ballot pools or voting on anything as part of an existing ballot pool. Contact [ballotadmin@nerc.net](mailto:ballotadmin@nerc.net) to assist with the removal of any duplicate registrations.

### **Commenting**

Use the [Standards Balloting and Commenting System \(SBS\)](#) to submit comments. An unofficial Word version of the comment form is posted on the [project page](#).

- Contact NERC IT support directly at <https://support.nerc.net/> (Monday – Friday, 8 a.m. - 5 p.m. Eastern) for problems regarding accessing the SBS due to a forgotten password, incorrect credential error messages, or system lock-out.
- Passwords expire every **6 months** and must be reset.
- The SBS **is not** supported for use on mobile devices.
- Please be mindful of ballot and comment period closing dates. We ask to **allow at least 48 hours** for NERC support staff to assist with inquiries. Therefore, it is recommended that users try logging into their SBS accounts **prior to the last day** of a comment/ballot period.

**Next Steps**

Additional ballots for the standards and implementation plans, as well as the non-binding polls of the associated Violation Risk Factors and Violation Severity Levels will be conducted **June 28 – July 8, 2024**.

For information on the Standards Development Process, refer to the [Standard Processes Manual](#).

For more information or assistance, contact Manager of Standards Development, [Jamie Calderon](#) (via email) or at 404-960-0568 [Subscribe to this project's observer mailing list](#) by selecting "NERC Email Distribution Lists" from the "Service" drop-down menu and specify "Project 2020-02 Modifications to PRC-024 (Generator Ride-through) observer list" in the Description Box.
