

Standards Announcement

Project 2014-04 Physical Security CIP-014-2

Final Ballot Open through April 29, 2015

[Now Available](#)

A final ballot for **CIP-014-2 – Physical Security** is open through **8 p.m. Eastern, Wednesday, April 29, 2015**.

The standard drafting team's considerations of the responses received from the last comment period are reflected in this draft of the standard.

Balloting

In the final ballot, votes are counted by exception. Only members of the ballot pool may cast a vote. All ballot pool members may change their previously cast votes. A ballot pool member who failed to vote during the previous ballot period may vote in the final ballot period. If a ballot pool member does not participate in the final ballot, the member's vote from the previous ballot will be carried over as their vote in the final ballot.

Members of the ballot pool associated with this project may log in and submit their vote for the standard [here](#). If you experience any difficulties in using the Standards Commenting & Balloting System, contact [Wendy Muller](#).

Next Steps

Voting results for the standard will be posted and announced after the ballot closes. If approved, the standard will be submitted to the Board of Trustees for adoption and then filed with the appropriate regulatory authorities.
