

# Standards Announcement

## Project 2014-02 Critical Infrastructure Protection Standards Version 5 Revisions

Formal Comment Period Now Open through January 8, 2015

### [Now Available](#)

A 45-day formal comment period for five CIP – Cyber Security Standards, definitions, and the implementation plan are open through **8 p.m. Eastern, Thursday, January 8, 2015**. Additional ballots for the standards, definitions (within CIP-003 and standards addressing transient devices), and the implementation plan and non-binding polls of the associated Violation Risk Factors and Violation Severity Levels will be conducted **December 30, 2014 – January 8, 2015**.

Background information for this project can be found on the [project page](#).

### Instructions for Commenting

Please use the [electronic form](#) to submit comments on the standards. If you experience any difficulties in using the electronic form, please contact [Arielle Cunningham](#). An off-line, unofficial copy of the comment form is posted on the [project page](#).

### Next Steps

Additional ballots for the standards, implementation plan, definitions, and non-binding polls of the associated Violation Risk Factors and Violation Severity Levels will be conducted **December 30, 2014 – January 8, 2015**.

For information on the **Standards Development Process**, please refer to the [Standard Processes Manual](#).

*For more information or assistance, please contact [Ryan Stewart](#), Manager of Standards Development, or [Marisa Hecht](#), Standards Developer, or at 202-644-8091 or 404-446-9620.*
