

Standards Announcement

Project 2015-03 Periodic Review of System Operating Limit Standards

Final Recommendations and Consideration of Comments Posted

[Now Available](#)

The Periodic Review of System Operating Limit Standards has been completed. The final recommendations and Consideration of Comments have been posted on the [project page](#).

The standards reviewed were as follows:

- FAC-010-3 - System Operating Limits Methodology for the Planning Horizon
- FAC-011-3 - System Operating Limits Methodology for the Operations Horizon
- FAC-014-2 - Establish and Communicate System Operating Limits

For information on the Standards Development Process, refer to the [Standard Processes Manual](#).

For more information or assistance, contact Senior Standards Developer, [Mark Olson](#) (via email) or at (404) 446-9760.
