

## Standards Announcement

Comment Period Opens

May 23–June 23, 2008

Now available at: <http://www.nerc.com/~filez/standards/MOD-V0-Revision.html>

### **Comment Period for MOD-004-1 — Capacity Benefit Margin (Project 2006-07) Posted for 30-day Comment Period**

The ATC Standard Drafting Team has posted the fourth draft of MOD-004-1 – Capacity Benefit Margin, standard and associated implementation plan for a 30-day comment period through June 23, 2008.

This standard has been revised based on stakeholder comments submitted with the initial ballot conducted March 3-12, 2008. The drafting team's responses to the comments submitted with the ballots for this standard are posted for stakeholder review.

Please use this [electronic comment form](#) to submit comments on MOD-004 standard by June 23, 2008.

If you need an off-line, unofficial copy of the questions in the comment form, there is a copy of the comment form posted at the following site:

<http://www.nerc.com/~filez/standards/MOD-V0-Revision.html>

Please use only the electronic form to submit comments by June 23, 2008. If you experience any difficulties in using the electronic form, please contact Barbara Bogenrief at 609-452-8060.

### **Standards Development Process**

The [Reliability Standards Development Procedure Manual](#) contains all the procedures governing the standards development process. The success of the NERC standards development process depends on stakeholder participation. We extend our thanks to all those who participate.
