## Project 2007-02 Operating Personnel Communications Protocols COM-003-1

**Successive Ballot and Non-binding Poll now open through July 19, 2013**

### [Now Available](#)

A successive ballot of **COM-003-1- Operating Personnel Communications Protocols** and non-binding poll of the associated Violation Risk Factors (VRFs) and Violation Severity Levels (VSLs) is now open through **8 p.m. Eastern on Friday, July 19, 2013**.

Background information for this project can be found on the [project page](#).

### **Instructions for Balloting**

Members of the ballot pools associated with this project may log in and submit their vote for the standard and non-binding poll of the associated VRFs and VSLs by clicking [here](#).

### **Next Steps**

The ballot results for **COM-003-1** will be announced and posted on the project page. The drafting team will consider all comments received during the formal comment period and, if needed, make revisions to the standard. If the comments do not show the need for significant revisions, the standard will proceed to a final ballot.

### **Standards Process**

The [Standard Processes Manual](#) contains all the procedures governing the standards development process. The success of the NERC standards development process depends on stakeholder participation. We extend our thanks to all those who participate.
