

Standards Announcement

Project 2010-14.1 Phase 1 of Balancing Authority Reliability-based Controls: Reserves (BAL-001-2, BAL-002-2 and BAL-013-1)

Just a reminder...

Initial Ballot and Non-Binding Poll is now open through 8 p.m. Eastern April 25, 2013

Now Available

Initial ballots of the following three standards and non-binding polls of the associated Violation Risk Factors (VRs) and Violation Severity Levels (VSLs) for Phase 1 of Balancing Authority Reliability-based Controls: Reserves is open through **8 p.m. Eastern on Thursday, April 25, 2013:**

- **BAL-001-2**- Real Power Balancing Control Performance
- **BAL-002-2**- Contingency Reserve for Recovery from a Balancing Contingency Event
- **BAL-013-1**- Large Loss of Load Performance

Background information for this project can be found on the [project page](#).

Instructions

Members of the ballot pools associated with this project may log in and submit their vote for the standards and opinion in the non-binding polls of the associated VRFs and VSLs by clicking [here](#).

Next Steps

The ballot results will be announced and posted on the project page. The drafting team will consider all comments received during the formal comment period and, if needed, make revisions to the standard. If the comments do not show the need for significant revisions, the standard will proceed to a recirculation ballot.

Standards Development Process

The [Standards Processes Manual](#) contains all the procedures governing the standards development process. The success of the NERC standards development process depends on stakeholder participation. We extend our thanks to all those who participate.
