

Standards Announcement **Reminder**

Project 2010-14.1 Phase 1 of Balancing Authority Reliability-based Controls BAL-002-2

Additional Ballot and Non-Binding Poll Open through March 16, 2015

Now Available

An additional ballot for **BAL-002-2 – Contingency Reserve for Recovery from Balancing Contingency Event** and a non-binding poll of the Associated Violation Risk Factors and Violation Severity Levels are open through **8 p.m. Eastern, Monday, March 16, 2015**.

Balloting – Legacy System

Members of the ballot pools associated with this project may log in and submit their vote for the standard and non-binding poll by clicking [here](#).

Note: If a member cast a vote in the previous ballot, that vote will not carry over to this additional ballot. It is the responsibility of the registered voter in the ballot pool to cast a vote again in this ballot. To ensure a quorum is reached, if you do not want to vote affirmative or negative, cast an abstention.

Next Steps

The ballot results will be announced and posted on the project page. The drafting team will consider all comments received during the formal comment period and, if needed, make revisions to the standard and post it for an additional ballot. If the comments do not show the need for significant revisions, the standard will proceed to a final ballot.

For more information on the **Standards Development Process**, refer to the [Standard Processes Manual](#).

For more information or assistance, contact Standards Developer [Darrel Richardson](#) (via email), or at 609-613-1848.
