

Standards Announcement

Project 2010-17 Definition of Bulk Electric System Reference Document

Informal Comment Period Now Open through February 27, 2014

[Now Available](#)

A 30-day informal comment period for the **Project 2010-17 Definition of Bulk Electric System Reference Document** is now open through **8 p.m. Eastern on Thursday, February 27, 2014.**

Background information for this project can be found on the [project page](#).

Instructions for Commenting

An informal comment period is open through **8 p.m. Eastern on Thursday, February 27, 2014.** Please use the [electronic form](#) to submit comments. If you experience any difficulties in using the electronic form, please contact [Wendy Muller](#). An off-line, unofficial copy of the comment form is posted on the [project page](#).

Next Steps

The drafting team will review all comments received during the informal comment period and finalize the document to be posted as a reference to support the implementation of the Phase 2 Definition of Bulk Electric System.

Standards Development Process

The [Standard Processes Manual](#) contains all the procedures governing the standards development process. The success of the NERC standards development process depends on stakeholder participation. We extend our thanks to all those who participate.
