The standard drafting team's considerations of the responses received from the last comment period are reflected in this draft of the standard.

Balloting
Members of the ballot pools associated with this project may log in and submit their vote for the standard and non-binding poll by clicking here. If you experience any difficulties in using the electronic form, contact Nasheema Santos.

Note: If a member cast a vote in the previous ballot, that vote will not carry over to this additional ballot. It is the responsibility of the registered voter in the ballot pool to cast a vote again in this ballot. To ensure a quorum is reached, if you do not want to vote affirmative or negative, cast an abstention.>

If you are having difficulty accessing the SBS due to a forgotten password, incorrect credential error messages, or system lock-out, contact NERC IT support directly at https://support.nerc.net/ (Monday – Friday, 8 a.m. - 8 p.m. Eastern).

Next Steps
The ballot results will be announced and posted on the project page. The drafting team will consider all comments received during the formal comment period and determine the next steps of the project.
