NERC is seeking individuals from the United States and Canada who possess knowledge and expertise in one or more of the following areas:

- Protection System, Automatic Reclosing, and Sudden Pressure Relaying Maintenance;
- Protective functions within AVRs.

NERC is also seeking individuals who have facilitation skills or legal/technical writing backgrounds as well as those who have experience with developing standards inside or outside the NERC development process (e.g., IEEE, NAESB, ANSI, etc.). Such experience should be highlighted in the information submitted, if applicable.

Previous drafting or periodic review team experience is beneficial, but not required.

Next Steps

The Standards Committee is expected to appoint members to the team October 2019. Nominees will be notified shortly after they have been selected.
