### Administrative

#### 1. Introductions

The meeting was brought to order by the Chair, David Mulcahy at 12:03 p.m. Eastern. The Chair provided the Drafting Team (DT) with opening remarks and welcomed members and guests.

#### 2. Determination of Quorum

The rule for NERC DT states that a quorum requires two-thirds of the voting members of the DT. Quorum was achieved as ten of the thirteen members were present. See Attachment 1 for those in attendance.

#### 3. NERC Antitrust Compliance Guidelines and Public Announcement

NERC Antitrust Compliance Guidelines and public announcement were reviewed by Dominique Love. There were no questions raised.

## **Agenda**

### **1. Review of Meeting Notes from Previous Meetings**

N/A

### **2. Discussion**

- a. DT discussed sensitivities for the energy assessment and the duration for the study period. It was noted that the DT discussed if MW or MWh should be considered along with the pros and con of adding in ancillary services. One DT member recommended that ancillary services should not be considered because it can't be put into one bucket. It was concluded that energy assessments can not maintain ancillary obligations.

### **3. Next Steps**

- a. DT to continue discussion on requirements.

### **4. Adjournment**

- a. The meeting adjourned at 1:00 p.m. Eastern by consent.
