Administrative

1. Introductions

The meeting was brought to order by the Chair, David Mulcahy at 12:05 p.m. Eastern. The Chair provided the Drafting Team (DT) with opening remarks and welcomed members and guests.

2. Determination of Quorum

The rule for NERC DT states that a quorum requires two-thirds of the voting members of the DT. Quorum was achieved as nine of the thirteen members were present. See Attachment 1 for those in attendance.

3. NERC Antitrust Compliance Guidelines and Public Announcement

NERC Antitrust Compliance Guidelines and public announcement were reviewed by Dominique Love. There were no questions raised.

Agenda

1. Review of Meeting Notes from Previous Meetings

N/A

2. Discussion

- a. DT discussed the extreme contingencies that should be considered in the standard. One commentor asked the DT if it is a huge lift to ask BA's to look at losses from IBRs. It was noted that with variable energy such as solar and wind ,it makes it harder to only look at MWh. One commenter mentioned referencing TPL-004.

3. Next Steps

- a. DT to continue discussion on requirements.

4. Adjournment

- a. The meeting adjourned at 1:00 p.m. Eastern by consent.
