An 18-day formal comment period for draft two of **EOP-012-3 Extreme Cold Weather Preparedness and Operations** is open through **8 p.m. Eastern, Friday, December 20, 2024**.

The Standards Committee approved the following waiver of provisions of the Standard Processes Manual (SPM) for Project 2024-03 Revisions to EOP-012-2:

- Informal comment period for SAR reduced from 30 days to as few as 15 days (Section 4.2);
- Initial formal comment and ballot period(s) reduced from 45 days to as little as 20 days, with the ballot pool formed concurrently during the first 10 days of the initial formal comment period, and with the ballot and non-binding poll of Violation Risk Factors (VRFs) and Violation Severity Levels (VSLs) conducted concurrently during the last 5 days of the comment period (Sections 4.8 and 4.9);
- Additional formal comment and ballot period(s) reduced from 30 days to as little as 15 days, with the ballot and non-binding poll of VRFs and VSLs conducted concurrently during the last 5 days of the comment period (Sections 4.9 and 4.12);

The standard drafting team's considerations of the responses received from the previous comment period are reflected in this draft of the standard.

Reminder Regarding Corporate RBB Memberships

Under the NERC Rules of Procedure, each entity and its affiliates is collectively permitted one voting membership per Registered Ballot Body Segment. Each entity that undergoes a change in corporate structure (such as a merger or acquisition) that results in the entity or affiliated entities having more than the one permitted representative in a particular Segment must withdraw the duplicate membership(s) prior to joining new ballot pools or voting on anything as part of an existing ballot pool. Contact ballotadmin@nerc.net to assist with the removal of any duplicate registrations.

Commenting

Use the [Standards Balloting and Commenting System \(SBS\)](#) to submit comments. An unofficial Word version of the comment form is posted on the [project page](#).

- Contact NERC IT support directly at <https://support.nerc.net/> (Monday – Friday, 8 a.m. - 5 p.m. Eastern) for problems regarding accessing the SBS due to a forgotten password, incorrect credential error messages, or system lock-out.

- Passwords expire every **6 months** and must be reset.
- The SBS **is not** supported for use on mobile devices.
- Please be mindful of ballot and comment period closing dates. We ask to **allow at least 48 hours** for NERC support staff to assist with inquiries. Therefore, it is recommended that users try logging into their SBS accounts **prior to the last day** of a comment/ballot period.

Next Steps

Additional ballots for the standard and implementation plan, as well as a non-binding poll of the associated Violation Risk Factors and Violation Severity Levels will be conducted **December 16-20, 2024**.
